

Vote for Black Country Food Bank

What 's happening?

We have applied to NatWest Community Force for £6,000 to help us continue the important work we do.

We are competing against many other local organisations for the funding with the winning project the one receiving the most public votes.

That 's why we need your help! We need as many people as possible to vote for us to make sure we get this much needed funding.

When you can vote:

You can vote from **26th September to 23 October**.

The winning project will be announced in November.

How to vote:

There are two ways you can vote:

1. **Online at the Community Force website** (<http://communityforce.natwest.com/>) and follow the instructions.
2. **Call the Community Force helpline on 0800 2100 246.** Lines are open 8.00am—9.00pm Monday to Saturday. Voting by phone closes Saturday 22 October. Calls are free from a BT landline. Charges from a mobile will vary.

Please help us to drum up support. Ask your family, friends, neighbours and colleagues to vote for us too. Thanks.
