

Black Country Foodbank has been supported by so many different individuals and organisations, small and large, throughout the Covid-19 pandemic. We are so very grateful to everyone that has taken the time to contribute to what we do, it has been a real privilege to be supported by so many.

We'd like to thank everyone involved, but there are so many. If we have missed anyone, please know it certainly isn't intentional. Also, thank you to the individual stores across Dudley, Walsall and Sandwell that have been so diligent in sending supplies to our warehouse and the twenty three local foodbanks we operate from; Asda, Tesco, Co-op, Morrisons, Farmfoods and B&M have all given from multiple sites and we are extremely grateful for all your generosity, and making our drivers welcome when they have collected.

Thank you, everyone for helping us keep the doors open and reaching those most in need during an extremely challenging time!
