

While waiting for assembly to begin have

a Think 

Are you thankful for anything at the
moment?

- Article 24 (health and health services) Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy. Richer countries must help poorer countries achieve this.

What is meant by the word ...

HARVEST ?

Can you use some of the letters from the word harvest to describe what happens to people when they don't have enough food?

When you think of people going hungry where in the world do you see it happening?

Article 24 (health and health services) Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy. Richer countries must help poorer countries achieve this.

Do we experience real hunger in the UK?

13 million live below the poverty line in the UK.

1 in 5 parents missed a meal in order to feed their children.

Black Country Foodbank gave over $\frac{1}{2}$ million meals out last year and this is increasing year on year.
